2.0 SCOPE OF SERVICE

2.01 Beveridge Associates Partnership Ltd are a practice of Consulting Engineers, who, as members of the Association of Consulting Engineers (ACE), provide professional services to their Client. The practice has expertise and experience in the following fields:

- a) Electrical Supply and Distribution;
- b) Lighting and Emergency Lighting;
- c) Cable Management Systems;
- d) Uninterruptible Power Supplies and Standby generation;
- e) Earthing and Lightning Protection;
- f) Security Alarm, Access, CCTV and Public Address Systems;
- g) Fire Detection and Alarm Systems;
- h) Information Technical Systems;
- i) Fire Suppression, Hydrant and Extinguishing Systems;
- j) Lifts and other Vertical Transportation Systems;
- k) Heating Systems;
- l) Air Conditioning and Comfort Cooling;
- m) Ventilation and Fume Extract systems;
- n) Hot and Cold Water Systems;
- o) Public Health and Drainage;

- p) Compressed Air;
- q) BMS, lighting and other control systems;
- r) Renewable Energy, sustainability and carbon reduction.

2.02 Beveridge Associates has extensive experience in producing detailed designs, both as part of a design team and as lead consultant on engineering projects. The practice has also completed numerous commissions for condition surveys and reports, feasibility studies, employer's requirements for "design and build" schemes, maintenance audits, arbitration advice, carbon reduction and sustainability studies.

3.0 KEY PERSONNEL

3.01 The following key personnel would be involved in the management and design of any commission. CV's are available on request.

Alex Foreman	–	Mechanical Director
Neil Jones	–	Electrical Director
Gary Paxton	–	Electrical Director
Alastair Duncan	–	IT and financial
Chris Govey	–	CAD manager

3.02 In-house specialist and support resources are available, and a suitable team would be put together, with the experience to best suit the scheme.

3.03 All of the key Designers used are Chartered Engineers. The company, as well as being in the Association of Consulting Engineers, are also represented with Membership of the Chartered Institute of Building Services Engineers (CIBSE), the Institute of Engineering Technology (IET formerly the IEE) and the Institute of Energy.

4.0 PREVIOUS EDUCATION EXPERIENCE

4.01 Beveridge Associates Partnership Ltd and Staff have extensive experience of commissions in the education sector, from nurseries and early years centres, to primary, secondary and further education. We have also worked for a variety of higher education institutions.

4.02 Management and designers are fully aware of the limitations of working in education establishments. Safeguarding issues are taken very seriously and staff visiting schools and colleges have undergone recent DBS Enhanced checks.

4.03 Some examples of recent/current education clients are listed below. In addition to these client bodies, we have also worked directly for a number of academies and school trusts:

- a. London Borough of Newham (current term consultant – over 15 years)
- b. Guildhall School of Music and Drama (current term consultant over 10 years)
- c. City of London
- d. University College London (UCL)
- e. Queen Mary University
- f. Brunel University
- g. London Film School
- h. Southend-on-Sea Borough Council
- i. London Borough of Havering
- j. London Borough of Barnet
- k. Morley College

4.04 In addition to the above recent/current education clients, we have worked on education commissions for the London Boroughs of Camden, Barking and Dagenham, Islington, Redbridge and Waltham Forest. We have also worked with private sector clients, such as Mace and Willmott Dixon, providing a range of services.

4.05 The following list gives some examples of recent projects successfully undertaken. This is by no means comprehensive. However, it gives an indication of the range of services we provide in this sector.

School/Property	Description of Project	Client
<i>City of London Boys School</i>	<i>Central plant replacement, including CHP analysis and feasibility. Detailed design, principal designer and contract administrator roles</i>	<i>City of London</i>
<i>St Angela's School</i>	<i>Multi-phase re-wire of secondary school, over several holiday periods. Detailed design, principal designer and contract administrator roles</i>	<i>LB Newham</i>
<i>Selwyn Primary School</i>	<i>Renewal of mechanical services. Assistance in bid submission, detailed design, principal designer and contract administrator roles</i>	<i>Leading Learning Trust</i>

5.0 QUALITY POLICY STATEMENT

- 5.01 Beveridge Associates are committed to providing a high quality service to ensure that the needs of our Client's are met.
- 5.02 To achieve this aim adequate resources are allocated to every project, using only competent and suitably qualified staff. All work is checked and approved by a senior member of the Practice at relevant stages of the project.

-
- 5.03 Our aim is to adopt a quality philosophy for the whole project, from conception to completion, ensuring all decisions are correctly considered and verified.
- 5.04 To meet our stated Policy the Practice operates a Quality Management System which meets the requirements of ISO 9001: 2008. All personnel employed by, or working on behalf of, the Practice are required to conform to the Quality Management System. In the spirit of this Standard it is our aim to continually improve the system and service we provide.
- 5.05 Periodic internal and external audits are carried out to ensure the system works effectively and efficiently.
- 5.06 The Directors have the ultimate responsibility and authority for ensuring that the system is soundly understood, implemented and maintained in compliance with ISO 9001 : 2008 and is effective at all levels in the Practice.
