2.0 SCOPE OF SERVICE

2.01 Beveridge Associates Partnership Ltd are a practice of Consulting Engineers, who, as members of the Association of Consulting Engineers (ACE), provide professional services to their Clients. The practice has expertise and experience in the following fields:

- a) Electrical Supply and Distribution
- b) Uninterruptible Power Supplies and Standby Generation
- c) Cable Management Systems
- d) Lighting and Emergency Lighting
- e) Earthing and Lightning Protection
- f) Security Alarm, Access, CCTV and Public-Address Systems
- g) Fire Detection and Alarm Systems
- h) Information Technical Systems
- i) Fire Suppression, Hydrant and Extinguishing Systems
- j) Lifts and other Vertical Transportation Systems
- k) Heating Systems
- l) Air Conditioning and Comfort Cooling
- m) Ventilation and Fume Extract Systems
- n) Hot and Cold-Water Systems
- o) Public Health and Drainage
- p) Compressed Air

- q) BMS, Lighting and other Control Systems
- r) Renewable Energy, Sustainability and Carbon Reduction

2.02 Beveridge Associates Partnership Ltd has extensive experience in producing detailed designs, both as part of a design team and as lead consultant on engineering projects. The practice has also completed numerous commissions for condition surveys and reports, feasibility studies, employer's requirements for "design and build" schemes, maintenance audits, arbitration advice, carbon reduction and sustainability studies.

3.0 KEY PERSONNEL

3.01 The following key personnel would be involved in the management and design of any commission. CV's are available on request:

Alex Foreman	–	Director, Mechanical Engineer
Neil Jones	–	Director, Electrical Engineer
Gary Paxton	–	Director, Electrical Engineer
Chris Govey	–	CAD Manager

3.02 In-house specialist and support resources are available, and a suitable team would be put together, with the experience to best suit the scheme.

3.03 All the key Designers used are Chartered Engineers. The company, as well as being in the Association of Consulting Engineers, are also represented with Membership of the Chartered Institute of Building Services Engineers (CIBSE), the Institute of Engineering Technology (IET formerly the IEE) and the Institute of Energy.

4.0 PREVIOUS RELEVANT EXPERIENCE

4.01 Beveridge Associates Partnership Ltd and Staff have extensive experience of commissions in the public sector including Government Departments, numerous Local Authorities, Transport Authorities, and the following Health Organisations:

1. Westminster Primary Care Trust
2. Kensington and Chelsea Health Authority
3. Barts and the London National Health Service Trust
4. Mid Essex Hospitals Services Trust
5. The Barking, Havering and Redbridge National Health Services Hospitals Trust
6. The Camden and Islington Community National Health Service Trust
7. Moorfields Eye Hospital NHS Foundation Trust
8. Dumfries and Galloway National Health Service Trust

4.02 The following list gives some examples of projects successfully undertaken by the Practice and Staff in the past. This is by no means comprehensive but gives an indication of the range of services we can provide.

Property	Description of Project	Client
<i>15 Marylebone Road London NW1</i>	<i>Full Refurbishment of Westminster PCT Headquarters</i>	<i>Westminster PCT</i>
<i>81 Ashfield Street London E1</i>	<i>Refurbishment of offices to form respite units</i>	<i>Sick Children's Trust</i>

<i>Lea Surgery, Homerton, London</i>	<i>Refurbishment-Full detailed design of the new mechanical and electrical services for the expansion of an existing Doctors surgery</i>	<i>NHS Primary Care</i>

4.03 In addition to the above we have Engineers with extensive experience of complex and essential engineering systems, knowledge that can be applied to the Health Sector, from our extensive work with London Underground and Network Rail (with whom we have completed over 1,000 projects).

5.0 QUALITY POLICY STATEMENT

- 5.01 Beveridge Associates are committed to providing a high-quality service to ensure that the needs of our Clients are met.
- 5.02 To achieve this aim adequate resources are allocated to every project, using only competent and suitably qualified staff. All work is checked and approved by a senior member of the Practice at relevant stages of the project.
- 5.03 Our aim is to adopt a quality philosophy for the whole project, from conception to completion, ensuring all decisions are correctly considered and verified.
- 5.04 To meet our stated Policy the Practice operates a Quality Management System which is Certified ISO 9001:2008. All personnel employed by, or working on behalf of, the Practice are required to conform to the Quality Management System. In the spirit of this Standard it is our aim to continually improve the system and service we provide.
- 5.05 Periodic internal and external audits are carried out to ensure the system works effectively and efficiently.

5.06 The Directors have the ultimate responsibility and authority for ensuring that the system is soundly understood, implemented, and maintained in compliance with ISO 9001:2008 and is effective at all levels in the Practice.
