Quality Policy Statement

This Practice is committed to providing a high quality service to ensure that the needs and requirements of our Clients are met.

To achieve this aim suitable and adequate resources are to be allocated to every project, using only competent and suitably qualified staff. All work is to then be checked and approved by a senior member of the Practice at relevant stages of the project and prior to issue.

Our aim is to adopt a high quality philosophy for the whole project, from conception to completion, ensuring all decisions are correctly considered and verified.

To meet our stated Policy the Practice operates a Quality Management System which meets the requirements of ISO 9001 : 2015 All personnel employed by, or working on behalf of, the Practice are required to conform to the Quality Management System. In the spirit of this Standard it is our aim to continually improve the system and service we provide.

Periodic internal and external audits are carried out to ensure the system works effectively and efficiently.

The Directors have the ultimate responsibility and authority for ensuring that the System is soundly understood, implemented, and maintained in compliance with ISO 9001 : 2015 and is effective at all levels in the Practice.
